## A people's future of the United States

edited by Victor LaValle and John Joseph Adams.

A glittering landscape of twenty-five speculative stories that challenge oppression and envision new futures for America—from N. K. Jemisin, Charles Yu, Jamie Ford, G. Willow Wilson, Charlie Jane Anders, Hugh Howey, and more.

F LaV

## Sea change

Nancy Kress.

A riveting climate-change technothriller of espionage, conspiracy, and stakes so high they could lead to the destruction of humanity itself.

F KRE

## The city we became

N.K. Jemisin.

Every great city has a soul. Some are ancient as myths, and others are as new and destructive as children. New York? She's got six.

F JEM

## The perishing

Natasha Deaon.

A Black immortal in 1930's Los Angeles must recover the memory of her past in order to discover who she truly is in this extraordinarily affecting novel for readers of N. K. Jemisin and Octavia E. Butler.

F DEO

## Early riser

Jasper Fforde.

Every Winter, the human population hibernates. During those bitterly cold four months, the nation is a snow-draped landscape of desolate loneliness, devoid of human activity. Well, not quite.

F FFO

## Appleseed

Matt Bell.

A breakout book that explores climate change, manifest destiny, humanity's unchecked exploitation of natural resources, and the small but powerful magic contained within every single apple.

## Fahrenheit 451

Ray Bradbury ; introduction by Neil Gaiman.

Ray Bradbury's internationally acclaimed novel Fahrenheit 451 stands as a classic of world literature set in a bleak, dystopian future. Today its message has grown more relevant than ever before.

F BRA

## Upright women wanted

Sarah Gailey.

Award-winning author Sarah Gailey reinvents the pulp Western with an explicitly antifascist, near-future story of queer identity.

F GAI

## Parable of the sower

Octavia E. Butler.

When global climate change and economic crises lead to social chaos in the early 2020s, California becomes full of dangers, from pervasive water shortage to masses of vagabonds who will do anything to live to see another day.

F BUT

## Firebreak

Nicole Kornher-Stace.

One young woman faces down an all-powerful corporation in this all-too-near future science fiction debut that reads like a refreshing take on Ready Player One, with a heavy dose of Black Mirror.
